**NOTE ON ELECTRONIC SIGNATURES:* *Signature fields can be left blank if you do not have an electronic signature. However, you will need to print out the form, sign it, fax a copy to the Journal Editorial Office at (630) 737-9790, or scan and email to sleepjournals@aasmnet.org.*

Journal-Based CME

- √ Peer-reviewed scientific articles accepted for publication in *SLEEP* may become eligible for category 1 CME credit.
- √ As a requirement for CME eligibility in *SLEEP*, each article's overall educational objective must be identified. You are encouraged to provide a one-sentence educational objective (below).
- √ The educational objective should clearly answer the following two-part question: What should the reader be able to do after reading your article and under what conditions? Use the space provided below to indicate the educational objective.

After reviewing this article, readers should be able to (*one sentence only, please*):

Better understand the associations between sleep patterns and lifestyle behaviors in children from 12 countries representing a wide range of geographic and socio-cultural variability.
